

NOTICE OF DECISION UNDER REGULATION 32 FILM POSTERS

VIDEO SLICK

TO: The Film and Video Labelling Body Inc.
PO Box 2627
Ponsonby
Auckland

Pursuant to regulation 32 of the Films, Videos, and Publications Classification Regulations 1994 the film poster entitled:

Fresh Meat ... a ghost story

is Not Approved

if approval refused, the reasons for the decision:

The video slick presents depictions of group sex activity. It also presents images of females posing nude or in lingerie. The text makes reference to the females comparing them to fresh meat. In addition to this, the title is emblazoned across the images of the females stating the words *Fresh Meat... a ghost story*, reinforcing this comparison. It is considered that this portrayal degrades and dehumanises the females, reducing them to the status of meat. Taking into account the sexually explicit, degrading and dehumanising depictions of the females, it is considered that the availability of this publication is likely to be injurious to the public good. The video slick, therefore, is not approved.
